

Verse Mapping Homework – Mashah Style

Take your time doing this. We suggest that you set 30 minutes aside to do this, and it will likely take you a couple days as you dive in. This is an opportunity to spend time with the Lord and allow His Word to sink into your heart. Just like when you marinate something, it takes time to absorb the flavor. Allow yourself time to absorb what God is doing within you. Don't rush this.

- Step 1: Pray
- Step 2: Choose a Scripture – Read the Scripture and the surrounding verses to be sure you understand the context of the verse. In the margin be sure to write down any key notes about the context.
- Step 3: Write the Scripture below from at least three different translations of the Bible. Use a site such as <http://bible.com/>
We strongly suggest that you handwrite these rather than copy and paste.
- Step 4: Read through all the translations and write down 3-5 words that stand out to you.
- Step 5: Research the meaning of those words (even if you think you know what they mean) – Recommended resource is Websters 1828 Dictionary as it is Biblically based - <https://webstersdictionary1828.com>
- Step 6: What is the Lord saying to you?
- Step 7: What new belief needs to grow in me to align with God's word.
- Step 8: Ask the Lord for any words of encouragement
